*Lynne Stewart was not verified as a nominated candidate because her membership could not be verified before the close of the nomination period. Both the Local Election Supervisor and the National Election Supervisor made multiple attempts to contact Ms. Stewart for additional materials to prove her membership however materials were not submitted until August 20th, well after the close of nominations. In the submitted documents, Ms. Stewart submitted a donation receipt made to the station on August 7, 2015 in the amount of \$25 which made her a member of the station, eligible to vote in the election however it did not automatically make her a verified candidate since nominations were already closed.
