Anonymous: No

Davey D interviewed [name redacted], [name redacted], and [name redacted] for an hour all advocating for passage of the Bylaws with no opposing views presented and several falsehoods expressed including [name redacted] stating there were 26 members of the local boards and the national board. This ran on KPFT as Houston Indy Media on Friday, March 13, 2020 7:00 pm. It's there on the KPFT archives. I assume it ran first on KPFA, but I don't know when yet. Must be remedied immediately with a full hour of argumentation for a NO vote.

Election Inspectors Response: The one-hour program in question aired at the request of the Election Inspectors Committee as a remedy for the biased Houston IndyMedia program which aired in a similar timeslot.
