## 2024 Local Station Elections

We are using single transferable voting (STV) to elect candidates.

To cast your vote, rank the candidates you wish to elect in order of preference (1,2,3 etc).

Make sure to assign different numbers to each candidate you are ranking. Only rank candidates who you wish to elect. If you wish to Abstain, select Abstain. If your vote doesn't count towards your first choice it gets transferred to your second choice, so on and so forth.

Visit <https://elections.pacifica.org/wordpress/election-information/stv-faq> for more information on STV, email the election supervisor ([nes@pacifica.org](mailto:nes@pacifica.org)) or call (707) 500-1910 for assistance.
